"The design of the stand was influenced by a traditional store which can be seen in the photos displaying the typical haberdashery counter and till – emphasizing the connection between old and new retail concepts. Thanks to Leigh, Francois, Johan and Mel Cook (from the Exhibitionist) for making it happen. The feedback we received was really positive and makes all the effort worth it". August De Wet- Boogertman + Partners Architects

"I would also like to reiterate Thandi's sentiments. Your service was excellent, and the stand looked very nice. Thank you for a job well done." Thabile Nekhile, Nedgroup
